

Welcome to Global-Energy marketplace!

To get full access AND use all features of Global-Energy marketplace, like placing free advertisements, you must first register yourself with us.

To start registering please follow the steps below:

Step 1:

Click on the 'Register for free!' -button, as shown below.

The screenshot displays the Global Energy Marketplace website interface. At the top right, there are navigation links: Home | Search | Contact | FAQ | How to place an ad | Member login. The main header features the Global Energy marketplace logo on the left and three buttons: Place ad, My marketplace, and Search. Below the header is a grey bar with the word 'Home'. The main content area is divided into several sections. On the left, there is a search box with fields for 'Part number' and 'Description', and a 'Search' button. To the right of the search box is a 'Join us!' section with the text 'Become a member to place ads and store search results.' and a prominent blue button labeled 'Register for free!' which is circled in red. Below this is another blue button labeled 'Member login'. Further down, there is a section titled 'Sell your stock today:' followed by 'Advertising on this website is free !' and a paragraph stating 'Global Energy Marketplace is designed for companies in the power generation and the oil and gas sector.' At the bottom right, there is a large blue banner with the text 'Register today...'. The footer contains copyright information and a list of payment methods: American Express, MasterCard, Verified by Visa, and Visa.

Step 2:

Enter your personal information and create a password.

Please note that the password should contain at least 8 characters. Then click on 'continue'.
